## TREATMENT

No indications of clarity enhancement.

### Comments:

Any statement on geographic origin is an expert opinion based on a collection of observations and analytical data. Due to their growth conditions in nature and recovery methods, most emeralds contain surface-reaching features. For this reason, clarity enhancement is a common trade practice.

No fissures present	No or insignificant clarity enhancement	Quantification of clarity enhancement		
		F1	F2	F3
None	No / Insignificant indications of clarity enhancement	Indications of minor clarity enhancement	Indications of moderate clarity enhancement	Indications of significant clarity enhancement
